- A/P Lasur Station (Chhatrapati Sambhajinagar) - 423702

SKILLS

- Front-End** - HTML, CSS, JSP
- Back-End** - Java, Spring Boot
- MySQL Database** - Skillful

EDUCATION

Bachelor of Computer Application

Dr. BAMU University, Chhatrapati Sambhajinagar

CGPA - 6.9

July 2022 to April 2025

HSC - 74.17%

Maharashtra State Board

July 2021 to June 2022

SSC - 85%

Maharashtra State Board

June 2019 to July 2020

PROFILE

Motivated and detail-oriented student with a database management and software development. Passionate about learning new technologies and applying problem-solving skills to real world application. Seeking an opportunity to contribute technical knowledge and analytical skills in a IT environment.

PROJECT

Hospital Management System

Technologies used : Java and SQL database

- Developed a 'Hospital Management System' with a command prompt interface, featuring a database with tables for patient and doctors .
- implemented functionalities such as viewing and adding patients, viewing doctors, and booking appointments.
- this project enhanced my skills in database management and command line interface programming.

FocusMate- Study Tracker

Technologies used : Spring Boot, Thymeleaf, MySQL

- FocusMate is a productivity-focused web application developed using Spring Boot that helps users manage tasks and improve concentration. The application provides secure user authentication, task creation, and focus-time tracking features.
- Thymeleaf is used for building dynamic and responsive user interfaces.
- MySQL is used for efficient data storage and retrieval. The project follows a layered architecture, ensuring scalability and maintainability.

COURSES

Core Java

Udemy

June 2024 to July 2024

Java Full Stack

Spark 2.0

July 2024 to Present
